## Information re AQ/ABQ Math Subsidies

The OTF Affiliates (AEFO, ETFO, OECTA, and OSSTF) are currently involved in the collective bargaining process and are taking a range of steps to negotiate collective agreements for their members. OTF stands in solidarity with our Affiliates and our members in their work to achieve collective agreements.

Due to the current status of negotiations, as of May 1, 2015, no further Math AQ and ABQ subsidies will be offered.
